

## Crystal Kroetch

Crystal Kroetch is a level 3 dressage coach and has a training stable in Calgary. She has been training, competing, and coaching dressage for the past 25yrs. She has many National and International Championships to her name and has competed from the basics levels all the way through to Grand Prix.

She won the FEI 6yr old Canadian Championship which was held at the Ottawa CDI on a horse she purchased as a three yr old and trained, Rhythmix , with an amazing score to win of 9.4 % !!!

She has competed several seasons in California at the CDI's and did so this past spring with her current mount - Lymrix. They have qualified to compete in the California Championships this Oct. in both the Prix St George and the Int. 1.

She is hoping that Lymrix will have a shot at being on the Pan American team for Canada in 2011 and they will be working hard toward this goal!
