"This is Picasso Jr and mine first CDI competition. I purchased Picasso Jr 6 years ago when he was 7 years old. When I bought Picasso he was used strictly as a breeding stallion in Holland and only new training level movements. I have brought him from a training level horse to a strong FEI competitor in just 6 years with the help of my coach Luis.

Since 2004 we have won 34 Championships, 6 Reserve Championships, and 6 highest score awards. We have won the Northwest dressage championships twice, Western Canada Championships, and 5 provincial/regional Championships

The nicest thing about Picasso Jr is that he needs very little

riding. Because of my job I travel 2 weeks out of the month. Even though I dont get to ride much Picasso always performs to his asolute best. He is such a great partner and a barn favorite.

My dream is to one day qualify for the Pan American team with Picasso Jr."
