

ESMEE INGHAM BIOGRAPHY

Born and raised in West Vancouver, I am 16 years old and have been riding my entire life. It was my aunt who sparked my passion for horses. I have been riding in the discipline of Dressage for the past five years, and previous to that, I used to jump and ride my beloved western horse Dusty Del Jag (Dusty). I started Dressage in Pemberton at Dreamcatcher Meadows on my uncle's roping horse Cocoa Buzz (Buzz) and competed on him for one show season at Training and First Level. Then, I was given the wonderful opportunity to ride and train with Wendy Christoff in the fall of 2006 in Ladner. I leased her schoolmaster, Caboose for two years. We competed at First Level, and attended the BC Summer Games in 2008. This year, I changed schools in order to participate in the Super Achievers program, which allows me to maximize my time spent at the barn, and minimize the time lost at school. In September of 2008 my family purchased Norseman (Normy). I am very fortunate to have such a wonderful and talented horse. We are training at FEI Juniors, while I continue to ride Caboose twice a week.
