

Michele McWilliam

Training at FEI. Showing to FEI.

Michele says her goals are;

To produce and raise world class dressage and jumping horses. Expanding the farm's breeding program is very important to Michele, as well as staying active in the competition ring. To continue her education from some of the best riders in the world.

Experience:

Michele has shown in three day eventing, jumping and dressage at all levels. She has been teaching for over twenty years.

Michele has bred, schooled, shown and sold many beginner, amateur and advanced horses. She has coached many successful riders from beginner to FEI levels. Two of her students have been to Germany to train for their Big Bronze Medal, where they placed first and second in the class of approximately 27 European and North American students. Michele has been training for the past 4 years with German Trainer/Coach Albrecht Heidemann who received the National German Gold Medal for his area. Albrecht is the coach for the JR/YR Team for Canada and regularly comes to Alberta to give clinics.
