

Nelli Calveley

I began riding at age 12, and was in Pony Club. 3 years later, my little eventer forced dressage to peak my interest. Eventually, I needed a true dressage horse, and after a little looking found Giotto. Giotto is a 16.3hh, 1998 Hannoverian gelding. He was ridden and shown as a stallion in Germany by an Adult Amateur. We bought him in November 2007 and now a year and a half later are showing FEI Juniors.
