

## Wendy Christoff

Wendy Christoff (55) is riding her 15 year old Hanoverian gelding Pfalstaff aka Panama. She has owned him for almost three years and he is her first Grand prix horse. Although he is very tall (17.3), he thinks he is a small horse and the partnership is working well. They were long listed in 2009 and hope to qualify for WEG in 2010.

Wendy began riding at age 8 and started dressage at age 25 with a thoroughbred gelding off the track. Wendy and her husband, Gordon, have a small farm in Ladner BC where she rides and coaches her students. She is a certified NCCP level 2 coach and works on many volunteer committees.
